CAPACITY DECREASE REQUEST

DATE: _____

LAND LOCATION: _____

ACCOUNT: _____

LAND OWNER: _____

Please be advised of a request to decrease capacity from _____ amp to _____ amp for the above mentioned location.

The Wild Rose REA will proceed with the decrease of capacity at the REA cost. With the stipulation (as per our policy) that if a request to increase the capacity within one year from time of completion, the cost of the increase will be remitted by the member (yourself) - this being the difference between the existing capacity and the requested increase.

This service will be charged the applicable breaker size rate pursuant to the current Wild Rose REA tariff.
