

# **WILD ROSE**

**Rural Electrification Association Ltd.**

## **REMOVAL OF IDLE SERVICE AGREEMENT**

Between \_\_\_\_\_ of \_\_\_\_\_, Alberta.  
(hereinafter referred to as "the owner")

AND

**WILD ROSE RURAL ELECTRIFICATION ASSOCIATION LTD**  
(referred to as the "association")

With respect to the works owned by the Association that are situated on and intended to provide electric service to

\_\_\_\_\_ 1/4 Section, \_\_\_\_\_ Township, \_\_\_\_\_ Range, \_\_\_\_\_ West \_\_\_\_\_ M. \_\_\_\_\_ Plan  
(Hereinafter referred to as the "owner's land")

but which is now not being used to provide that service to that land, IT IS AGREED as follows:

1. (a) The service contract, if any, With respect to the owner's land is terminated.  
(b) The owner's membership, if any, in the Association is terminated.
2. The Association may, through its employees or agents, enter on the owner's land at any reasonable time and remove all or any part of the idle works.
3. The proceeds from the removal and sale of the works are the property of the Association and the owner has no further claim on the Association.
4. If the owner hereafter applies to the Association to have the utility service to the owner's land re-established, the owner shall pay
  - (a) the average installation cost paid by other members of the Association, as determined by its Board of Directors at the time of application, or
  - (b) the actual cost of installation, whichever is the greater amount.
5. The Association is hereby granted and has a Right of Way for erecting, maintaining and removing its distribution system and the line extensions, including the right to carry out the necessary trimming and cutting of trees and brush, on and over any part of the right of way on the owner's land as may be necessary to complete the connection or branch from any extension as the Association, for its reasonable convenience, requires to enable it to serve other consumers.
6. The cost for salvage is the responsibility of the owner, pursuant to the quotation provided.
7. The owner's utility account along with the salvage quotation must be paid in full in order to proceed with the salvage on the owner's land.
